

WORLD DOWN SYNDROME DAY

Circle 21

March 21, 2013

On behalf of the Government of Ontario, I am very pleased to extend warm greetings to everyone attending this World Down Syndrome Day celebration, hosted by Circle 21.

As Premier, I firmly believe in a fair society — one that values the contributions of every citizen and does not leave anyone behind. I recognize that individuals with Down Syndrome have challenges, but also unique capabilities and talents. As a province that prides itself on being an inclusive society, it is our collective responsibility to ensure that they have access to the education, opportunities and care they need to fulfill their potential — and participate in the life of our province.

Let us take this day as an opportunity to reaffirm the rights of persons with Down syndrome — and to build a more inclusive and better Ontario for all citizens.

Please accept my best wishes for an inspiring and meaningful event.
